

University of Michigan
Ann Arbor, Mich.

Dear Luca:

We are en route now to Woods Hole, met Francis and Betty Ryan here yesterday. The Ryans will be delighted to offer you the use of their apartment (near Columbia University) while they are away. They do not expect to return until about September 10, and so unfortunately you probably will not have a chance to see them. Betty will leave directions for you with Bernie Davis.

Yours,

Joshua Lederberg
